About Me

Enthusiastic and motivated fresher looking to begin my career as a Software Developer. Skilled in front-end and back-end development, I am eager to apply my knowledge to real-world projects, contribute to innovative solutions, and grow within a dynamic and collaborative environment.

Education

Hindusthan College of Engineering and Technology Coimbatore, Tamilnadu , 2021 – 2025
Bachelor of Engineering in computer Science

- CGPA: 8.41/10

Government Higher Secondary School, Viluppuram , HSE 2020 – 2021

- Percentage: 84

Government Higher Secondary School, Viluppuram , SSLC 2018 – 2019

- Percentage: 81

Projects

Portfolio Website

- A personal portfolio website built with HTML, CSS, and JavaScript to showcase my skills, and achievements in web development. It features a responsive design, interactive elements, and user-friendly navigation.

Blood Donor-Life Saver

- platform that connects blood donors with individuals in need of donations. It enables users to sign up, find local donation drives, and book donation appointments. The website aims to raise awareness and make blood donation easier and more accessible.

Experience

Internship : Nexgen Technology on WEB DEVELOPMENT

- Completed a 15-day Web Development internship at Nexgen Technology, where I gained hands-on experience in modern web development practices. This opportunity helped me sharpen my technical skills and provided a solid understanding of industry-standard tools and techniques. .
